“Being a member of the USC Sumter Associates has afforded me the opportunity to learn about some of the inside workings of our local campus as well as the USC system. The programs have been extremely interesting and informative and relative to the interests of people who like to stay in touch with education and the USC system. The Associates comprise a good cross-section of the community who are loyal supporters of USC and who are truly interested in seeing the campus flourish.” – Former President Jackie Olsen

(Upper right): Member Hennie van Bulck makes a presentation to the group.
(Bottom left): Phil Edwards and Glen Sharp take a break from the festivities to rest and talk.
Welcome!

UNIVERSITY ADVANCEMENT
Assistant Dean
Carl McIntosh, CFRE

Welcome to the University of South Carolina Sumter Associates. Our strength depends on your leadership, dedication and energy in the cause of higher education. As a member, you can build close relationships with those at the University of South Carolina Sumter and the University system as a whole. It takes the power of a group to create change and influence others to achieve success. The USC Sumter Associates can do just that.” - Carl McIntosh, CFRE

MEMBERSHIP

Membership in the USC Sumter Associates is available to leaders from business, industry, the professions and the community. Both alumni and nonalumni are eligible. The membership year is July 1 through June 30 with annual dues of $35.00 per person. Membership is effective upon receipt of a completed application form signed by a current member of the USC Sumter Associates and payment of the annual $35.00 membership dues.

SUPPORT ACTIVITIES

USC Sumter Associates demonstrate their interest in the activities of the University and its impact on the community through a variety of support activities, such as public statements from the organization concerning matters of importance to the membership and to the University.

BENEFITS

• Close relationship with the University
• Subscription to annual student magazine Sandhill
• Subscriptions to USC Sumter magazine On Course
