SAT/ACT Prep Class

Class Focus
USC’s renowned University Test Prep program and USC Sumter are teaming up to offer an intensive and exciting SAT/ACT test prep course at USC Sumter this summer. The summer institute helps rising 10th-12th graders prepare for the SAT and ACT exams. This is the seventh year that the program has been offered at the USC Sumter Campus. The preparation course provides 20 hours of on-campus classroom learning and is led by a professional test prep instructor from the University of South Carolina.

Date: July 20-24 (Monday - Thursday)
Time: 9 am - 3 pm
Cost: $499 (10% discount to USC Alumni, faculty and staff)
Location: Anderson Library, Conference Room

About University Test Prep
Since 2008, University Test Prep has been offering the SAT/ACT Institute. Our blended learning Test Prep program offers intensive classroom training followed by periodic online review sessions. The courses are designed for students currently in high school, who have completed their freshmen or sophomore years and plan to take the current SAT test during Fall 2015.
